The Library of Things (LOTs) is a collection of useful items such as cake pans for special occasions, cookware, craft supplies, crock pot, electronics, games, puzzles, small kitchen appliances, sports equipment, tools, toys and more!

Residents of SDL's service area (Sanilac Township & CPS School District) will be able to borrow Things for free using their SDL card. Need something for a one-time project? Want to try before you buy? Check out LOTs. The Library of Things will open at SDL's Bark Shanty Branch as soon as "Things" are acquired.

Help SDL's Library of Things grow by donating "Things" in new or *very good* condition.

Or donate money to purchase new items.

Check out the list of desirable items on SDL's website.

Thank you for helping SDL Grow To Meet Your Needs!

Amy's worst nightmare was spending the night on Ward D. And now she might never escape.
- *What If I Never Get Over You*—Paige Toon

MelCat Celebrates 20 Years!

SDL was the 52nd library to join MelCat in 2005. This was a huge project taking years of preparation. All technology decisions were made with a state-wide database as the goal. Now 435 libraries are members of MelCat. SDL patrons have borrowed almost 20,000 items at a value of \$540,000 since 2005 and SDL has lent 12,000 items to other libraries. In 2024 alone, over a million items were shared between MI libraries through MelCat.

MeL, the MI Electronic Library, offers databases, electronic articles, journals and other online resources about business, education, history, medicine and other topics that help people make informed decisions. In 2024, students and MI residents accessed 19.2 million resources for homework, research, test preparation and more.

MelCat Funding

MelCat & MeL have been federally funded by the Institute of Museum and Library Services (IMLS), the only federal agency for America's libraries. An Executive Order calls for restructuring IMLS. Funding was eliminated but 50% (\$2.4 million) has been reinstated, enough for MelCat to continue. Some MeL databases will need to be cut unless the state can cover the shortfall. MelCat & MeL provides a return on investment of \$27. This means that for every federal tax dollar invested in MI libraries, Michigan residents receive \$27 in value.

SDL Bark Shanty Branch

The Village of Port Sanilac and Sanilac District Library created a partnership to increase awareness and usage of the Bark Shanty Community Center and to provide extra library services. The Village wanted to offer movie nights but licensing is very expensive. Public libraries may contract for movie licensing at a reasonable rate but requirements limit movie showings to one specific library site. SDL needs space for programs but can't afford to expand. Solution: The Village is leasing Room #1 at the Bark Shanty to SDL for \$1 as an exclusive library branch in order to legally enable SDL to provide movie licenses. A win-win for both entities. SDL is moving one step at a time to implement these new possibilities. Traditional library services will not be duplicated.
