### Inside Library Service By Appointment

**Masks & Social Distancing Are Required**

**Call 622-8623 or email: [sdlcirddesk@yahoo.com](mailto:sdlcirddesk@yahoo.com) to schedule an appointment**

During this national health emergency, the priority of the SDL Board is to adopt policies which protect the health of employees and patrons while providing library service in the safest possible manner to our community. Library Board decisions are based on requirements and/or recommendations of an alphabet soup of sources: ALA, CDC, LEO, LOM, MLA, MDHHS, MiOSHA, OSHA and other agencies. The Library Board considered spacing constraints within areas of the facility and the vulnerability of our patrons who are most at risk.

- Appointments are required and limited to SDL residents: one thirty-minute appointment per person per day.
- Five patrons are allowed inside at the same time. 'Grab & Go' inside service is intended for quick browsing.
- Two public access computers are available for thirty-minute time slots. Workstations are cleaned after every use.
- WiFi is available outside the building from the comfort of your vehicle between 8 a.m. to 10 p.m.
- The Children's Room is open to one family at a time. Kids must be accompanied by an adult.
- Library cards may be issued to SDL residents with I.D. and proof of current address.
- Everyone is sick and tired of this and cannot wait for things to return to normal!!!

## Courtesy Renewals

It has been one year since courtesy renewals was established as a convenience to SDL patrons. Auto renewal is a one time per item occurrence. Books, audio books and magazines automatically renew on the due date *except* in cases where:

- The item has already received one courtesy renewal.
- The renewal limit will be exceeded.
- The item is on reserve for another patron.
- Your library card expires prior to the renewal due date.
- Movies are *not eligible* for automatic renewal.

You will receive a notice confirming the auto-renewal if your email address is listed in your SDL account. Ask library staff to add your email address to your account. Or you may add it yourself by using Your Account.

Patrons should make a habit of returning items on or before the due date because it's the responsible thing to do. It is thoughtful to return new books and magazines as soon as possible. This allows more people an opportunity to enjoy them while these items are still designated as new and in the most demand.

## Masks Are Required

A mask or face shield that provides a barrier from the top of the bridge of the nose to the chin is required to be worn by anyone inside SDL. Persons without a mask will not be allowed to enter. Children under the age of 3 are exempt. No contact Curb Service is available for patrons without a mask and those who are unable to wear a mask for medical reasons. Patrons who do not comply will be considered in violation of SDL Policy. **Thank you for your cooperation and helping to protect the health of our staff and patrons!**

## Safety Measures

SDL's first priority is employee safety. Services cannot be offered if library staff cannot report to work. The safety of our patrons is equally important. Every effort is being made to mitigate contamination between staff, staff to patron, patron to staff and patron to patron. However, as a public space, SDL is not a sterile environment and cannot guarantee a germ-free environment.

- Please do not visit SDL if you or someone in your household is ill or has been exposed to anyone with COVID-19 within the last two weeks.
- SDL encourages anyone with an underlying health condition to use SDL's no contact Curb Service.
- Patrons must distance themselves from other people by 6 feet.
- Public seating is not be available at this time.
- SDL may be closed at any time without notice for cleaning between users.
- Shared supplies such as staplers and pens are not available to patrons.

## Treatment of Returned Library Materials

Libraries are different from stores or restaurants because library items are borrowed and returned, over and over again. These procedures are in place in case library materials are returned by a patron who tested positive for the virus. All returning items are isolated for one week. Books covers, audio book and DVD cases are cleaned using disinfectants after the quarantine period and before items are re-shelved or checked-out again. SDL's complete Pandemic Preparedness Plan may be viewed on SDL's website.
