

## Phase 3: Inside Library Service By Appointment

### Masks & Social Distancing Are Required

The Sanilac District Library Board is opening the facility for inside service beginning August 10 following state and CDC guidelines. Appointments are required and are limited to SDL residents. The number of patrons allowed inside the building at the same time is limited to five. This in and out service is intended for quick browsing. Patrons are limited to thirty minutes in order to allow maximum access to others.

Two public access computers are available due to social distancing requirements and limited to thirty-minute time slots. Keyboards, mice, monitors and workstation areas will be cleaned after every use. WiFi is only available outside of the building.

The Children's Room will be open to one family group at a time. Children must be accompanied by an adult and must remain in the Children's Room.

Library cards may be issued to SDL residents with proof of I.D. and proof of current address.

MelCat may begin mid-August if 75% of the participating libraries are open.

**Call 622-8623 or email: [sdlcirdesk@yahoo.com](mailto:sdlcirdesk@yahoo.com) to schedule an appointment**

### Book Sale

### Buy The Bag \$5

Each cloth book bag contains gently used books: 6 hardcovers or 10 paperbacks. **The books have been quarantined.**

The 'grab bags' include: books by the same author or genres: children's books, fiction, inspirational fiction, librarian's choice, mystery, romance, sci-fi, suspense, thrillers, westerns and more!

Call to order. Pick up by appointment from Curb Service or your inside the library visit.

### Phase 3: Safety Measures

SDL is asking our patrons to please cooperate with the safety measures adopted by the Library Board. These procedures were either mandated by the state government or recommended by the CDC. SDL's first priority is employee safety. Library services cannot be offered if library staff are sick and cannot report to work. The safety of our patrons is equally important. Every effort will be made to mitigate contamination between staff, staff to patron, patron to staff and patron to patron. However, as a public space, SDL is not a sterile environment and cannot guarantee germ-free physical materials.

- Please do not visit SDL if you or someone in your household is ill or has been exposed to anyone with Covid-19.
- SDL encourages anyone with an underlying health condition to use SDL's no contact Curb Service.
- Patrons must distance themselves from other people by 6 feet. Aisles are limited to 1 person at a time.
- Public seating is not available during Phase 3.
- The facility may be closed at any time without notice to allow for cleaning between users.
- Shared supplies such as staplers and pens are not available to patrons during Phase 3.

### Masks Are Required

**A mask, face shield or face covering that provides a barrier from the top of the bridge of the nose to the chin is required to be worn by anyone inside the library facility while Executive Orders are in effect.** Persons without a face covering will not be allowed to enter the building. Children under the age of 5 are exempt from wearing a face covering. No contact Curb Service is available for patrons without a mask and those who are unable to wear a mask for medical reasons, Patrons who do not comply will be considered in violation of SDL Policy.

**Thank you for your cooperation and helping to protect the health of our staff and patrons!**

### Treatment of Returned Library Materials

Libraries are different from stores or restaurants because library items are borrowed and returned, over and over again. These procedures were developed in the event that library materials were returned by a patron who tested positive for the virus. SDL is isolating all returning audio books, books in print and DVDs for 4 days and magazines for 7 days. The purpose of the quarantine is to eliminate the need for disinfecting, as the virus should no longer live on the surface of materials. But as an extra precaution, books with Mylar covers, audio book and DVD discs & cases are cleaned using disinfectants after the quarantine period and before items are re-shelved or checked-out again. SDL's complete Reopening After A Pandemic Plan may be viewed on SDL's website.

### Curb Service Continues

#### How To Place Your Order

- Call 810-622-8623 during library open hours or email [sdlcircdesk@yahoo.com](mailto:sdlcircdesk@yahoo.com)
- You may be asked to identify yourself by name, address & the last five digits of your library card number.

#### Request Materials

- You may request specific titles, authors and subjects or ask library staff to select materials for you.
- Family packs may be ordered with books for children.
- Library staff will gather your requested items and call or email you when your order is ready.
- Library staff will make an appointment for you to pick up your order.
- Your items will be placed in a new plastic bag.

#### No Contact Pick-Up

**Library staff wear a mask and gloves for every curbside interaction.**

#### By Car: Please remain inside your vehicle

- Call the library when you have arrived at the parking lot or at the curb in front of the building.
- Choose the location in your vehicle and inform staff where to deposit your items:
  - If no one is sitting in the front passenger seat, open the window for items to be placed inside.
  - Or open a rear window for items to be placed inside.
  - Or open your trunk for items to be placed inside.
- If you are renting a movie, please have the exact amount ready at time of pick-up. \$1 per movie.

#### By bike, motorcycle or walking: Please, do NOT approach library staff or the front entrance

- Library staff will place your order on the sidewalk six feet away from you. Please wait for staff to retreat before collecting your order.

#### Returning Items During A Pick-Up

Please put returning items in a bag. Place the bag outside the car for staff to pick up. Or return items to the drop box.
