Donations To SDL

Donations to Sanilac District Library from individuals, families, businesses and organizations are always welcome at any time.

Contributions may be given in memory or in honor of a friend or loved one. Memorials and honorariums offer an opportunity to remember someone in a special way that will be a lasting source of enjoyment for all our library patrons. These gifts are also a wonderful way to celebrate an anniversary, birthday, graduation, retirement or any other special occasion.

Donations provide building improvements, computers, equipment, furniture, operating funds, programs, services and technology upgrades that are not supplied by normal revenue sources.

Contributions may also be given to purchase library materials such as audio books, books for every age and reading level, magazine subscriptions and movies. A commemorative bookplate will be placed on each item, enabling the community to share in your gift or in the recognition of another. The Library Director will select appropriate materials according to your topic suggestions.

Designating Sanilac District Library in your estate planning is a significant method to support the library and assures continued success in providing library service to the community.

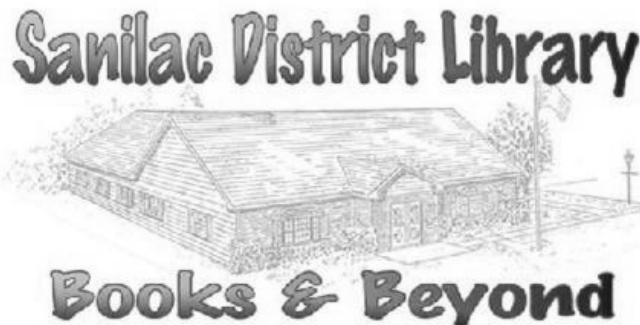

Sanilac District Library is always striving to provide the very best in library service to our community. Your investment will ensure continued excellence and help accomplish that goal.
